

Papers presented at the International Conference on Recent Advances in Waste Minimization and Utilization (RAWMU-2024), April 23-24, 2024, Lovely Professional University, Phagwara, Jalandhar, Punjab, India

CONTENTS

<i>M. Singh N. Kumar, A. Gupta, I. Palai, A. Kumari, A. MD Kh. Arshi</i> , A comprehensive review on utilization of agricultural waste for reinforced structural products: A sustainable perspective.....	5
<i>D. Deshwal, A.K. Narwal</i> , Exploring the application of the carbon and boron nitride nanotubes: a review.....	17
<i>Daksh, A. Shrivastava, A. Deshpande</i> , Appraising the nexus between gender equality and waste management: implications for sustainable development.....	34
<i>J. Das, D. De, A. Mittal, V. Jamwal, A. Dhaundiyal, G. C. Jeevitha, S. Garg, M. G. Junior, R. Manian, V. Tomer, N. Rajpal</i> , Exploring agro-industrial waste for sustainable biopolymer-based food packaging: opportunities, challenges, and future directions.....	45
<i>P. Talukdar, K. N. Baruah, P. J. Barman, R. V. S. Uppaluri</i> , Fortification of refractance window-dried <i>Curcuma longa</i> powder and its associated characterization.....	74
<i>V. Yaddanapudi, Y. Dharangutti, A. Vasmatkar</i> , Green building through reuse of waste material advancing sustainable development: an execution of Paris Agreement.....	80
<i>S. Choudhary, Y. Dharangutti, A. Vasmatkar</i> , Integrating environmental justice principles into urban waste management in India through sustainable development goals.....	95
<i>S. Faizan, W. Akram</i> , Laboratory investigation on the influence of wax on hot mix asphalt.....	110
<i>A. A. Khalak, J. Juremalani</i> , Nano-coir and micro-plastic: soil stabilization revolution.....	119
<i>M. G. Yinza, Ch. Abhilash, R. H. P. R. K. Naidu, N. Menon, A. Jacob, S. Pradhan</i> , Study on several types of smart bins, functionality, and networking systems for waste collection and management: a review.....	126
<i>A. Kunhilintakath, J. G. Chengaiyan</i> , Recent advances in the development of edible coatings and films to extend the shelf life of fruits and vegetables: a review.....	131
<i>A. Kakkar, R. S. Gurjar, S. Kumar</i> , Transforming waste to wealth: biochar production from MSW for pollution mitigation and resource recovery.....	150
<i>M. Yaswanth, M. Jaswanth, R. H. P. R. K. Naidu, H. Shahuru, A. Deep</i> , Design, development, and implementation of an automated system for cleaning overhead water tanks: a review	166
<i>S. Jaggi, S. Nag, P. Kumar Sharma</i> , Performance evaluation of engineered cementitious composite utilizing manufactured sand.....	173
<i>A. A. Kasonta, S. S. Thakur, J. B. Sharma, R. Bhardwaj</i> , Integrating media and information tools for enhanced management of food and agricultural waste.....	180
<i>R. Dwivedi</i> , Advancing environmental protection with sustainable financing: a case for waste management through superfund policy in India.....	185
<i>V. Tomer, N. S. Varghese, R. Yadav, J. Kaur, K. Aggarwal, R. Sharma, T. Phantok, A. Mittal, A. Kumar, S. Vino, P. Pandey</i> , Anti-diabetic potential of selected fruit and vegetable waste – an appraisal of current literature.....	201
<i>R. Singh Gurjar, S. Kumar</i> , Revolutionizing waste management: transforming sewage sludge into eco-friendly biochar for sustainable soil enrichment.....	208
<i>S. Goel, K. Dubey, R. K. Arya, Aarti</i> , Phytochemical screening and antibacterial efficacy of curry leaves in water purification and fertilizer use.....	238
<i>J. Joshi, Sh. Gautam, A. Gheewala, A. Gautam</i> , Extraction and isolation of stevioside and rebaudiana A from <i>Stevia Bertoni</i> leaves.....	244

<i>A.T. Sojan, J.K. Smitha, T. Geetha</i> , Synthesis and characterization of a slow-release fertilizer produced from coconut husk biochar.....	251
<i>S. Chougule, S. Sharma, H. Bhawe, R. Kundiya, J. Bhat</i> , Development of cashew nutshell-based composite material and heat-absorber panel: a comprehensive review	260
<i>P. Gulati, J. Inder Preet Singh, V. Sharma, J. Shekhawat, P. Prabhath Chowdary, A. Kumar Sharma</i> , Effect of various nano-particles and surface treatments on the mechanical properties of jute basalt fiber reinforced epoxy-based composites: a review	274
<i>S. Hussain, S. Chaurasia, P. Gajbhiye, R. K. Arya, A. M. Yattoo</i> , Assessing the potential of apricot shell biochar from <i>Prunus Armeniaca</i> of Kargil: a comprehensive review	289
<i>K. B. Patel, S. M. Kapadiya, M. R. Thakker</i> , Valorization of fruit waste for bio-refinery approach	302
<i>J. I. Preet Singh, P. Gulati, V. Sharma, G. Singh, A. Nur, Md D. Raza, J. Singh, J. Shekhawat, Nisha</i> , Investigation on mechanical properties of surface treated jute-basalt fiber reinforced hybrid epoxy composites: a review	318
<i>INSTRUCTIONS TO AUTHORS</i>	334
